A new shop

A new shop opened up on the next street. The shop sells pens, pencils, and notebooks. Kate and I went to look to buy new pens. I saw my favorite pens there. Kate decided to buy a sketch and I decided to buy some pens. They helped me choose the best items. Inside the store was a huge teddy bear. It was laughing at me. We looked around the shop to see all the items they were selling. Although the shop is small, they had decorated it beautifully. The shop had many toys. They were cars, bikes, dolls, and more. We both had a great and fun day at the new shop.

A visit to the zoo

Today our class teacher took us to the zoo. We went to the zoo by bus. We were about twenty students on the bus. We entered the zoo through a large gate. Our teacher guided us. We saw a lion inside a cage. We also saw tigers, giraffes and other wild animals in a fenced area. The best experience was seeing the roar of the big Lion face to face. Snake park was also a part of the zoo. It was a thrilling experience watching the snakes move just like that behind the glass panes. We came back to school at 3 PM. It was a place worth to spend time with family or big groups.

- a) Where did we visit today?
- b) How many students were on the bus?
- c) Was the zoo gate small or big?
- d) Which animal did we see at first?
- e) When did we get back to school?
