

Reading comprehension  
for Grade 3 or 4

My mom teaches me about road safety every day. I've learned not to look at my phone when I cross the road. My mom reminds me to look both ways before I cross the road. I stop, look left and right, then cross the road safely.

1. Who teaches me about road safety?
2. How to handle smartphones while crossing the road?
3. How to cross a road?
4. Tell us your experience in road safety?

We went to science lab today. Our teacher taught us about elements. We were studying about how many different chemicals there are. She asked us to do an experiment. We made a small test. That was fun.

1. Where did we go today?
2. What did the teacher teach in the lab?
3. Tell us your experience in the science lab.
4. Did we make any tests in the lab?

- 4. Were we able to catch the balloon? Explain.**

We were driving for a long time. We needed to rest, so my friend and I stopped at our usual place under the tree next to the highway. The windy, shady place made us cool. We were sitting on a blanket with our backs against the tree trunk.

1. What were we doing?
2. Where did we stop?
3. How was our stop?
4. How did we spend time at the stop?

My kitty is very playful. Kitty's favorite toy is a small, green mouse on a green string. Every day she indulges in some serious solo playtime to catch the dangling string, even though it's teasingly just beyond her reach.

1. What do we talk about?
2. How does kitty play?
3. What is the kitty's toy?
4. Explain how the kit is playing with its toy.
