

Reading comprehension for Grade 3 or 4

Don't Put All Your Eggs in One Basket.

Let us talk about football. Football is played with 2 teams. Out of these 2 teams, one is the offensive and the other is the defensive. The offense has to score a goal; they can do this by passing through any of the 10 players from the opposite team.

1. What are we discussing?
2. How many teams are needed in football?
3. Identify the two teams.
4. What is the total number of players for both teams?

Throughout the world, volleyball is a popular sport, and there are several different types. Beach volleyball is one of the most popular types. Two opposing teams start the game with six players each on either side of the net.

1. What is your favorite sport to watch? Tell us about it.
2. Describe any type of volleyball.
3. How many players does each team have?
4. Does the game have a net?

There is no doubt that swimming is a beautiful sport. This is combined with a lot of time spent in the water with fast, powerful movements that are never monotonous or boring, making it a very entertaining activity. Additionally, it has a ton of benefits for people of all ages.

1. Is there a swimming pool at your school?
2. Explain some of the benefits of swimming.
3. Is swimming necessary for everyone?
4. Do you find swimming boring?

Archery is a sport where you compete against other archers or teams using bows and arrows. It's also known as Olympic archery and Olympic bowmanship.

Although historically used for hunting, the sport has grown in popularity in recent years as a sport involving the shooting of arrows at a target from a set distance.

1. What is the sport called?
2. You'll need _____ and _____.
3. What are the possible evolutions of this sport?
4. Has it been incorporated into the Olympic Games?
