

The Girl and the Red Apple

On a tree, it was hanging high
A little girl came along and saw
The red fruit shining in the sky

She climbed up to get a closer look
And plucked the apple from the branch
A bite of the juicy flesh she took
And found that it was sweet and crunchy!

1. What was hanging high on a tree?
2. Who came along and saw the fruit?
3. What did the little girl do when she saw the fruit?
4. What did the little girl think of the apple?
5. How did the fruit taste?
