

# Molly reads stories

When Molly is reading a story, she is looking for clues in the text to help her visualize what is happening. She looks at the pictures and uses them to create a mental image of the story. She also reads quickly, which helps her to understand what is happening in the story. When she has finished reading, she is able to tell a detailed description of the story. This shows that Molly is a good reader.

1. Who reads stories?
2. What does Molly look for in the stories?
3. How does she visualize stories?
4. What makes Molly a good reader?
