Halloween

Halloween is a fun and spooky holiday! It's the perfect time to dress up in costumes, eat candy, and go trick-or-treating. On Halloween night, ghosts and witches come out to play. But don't worry, they're just make-believe! So have a happy Halloween!

Trick or Treat

Trick or treating is a Halloween tradition where kids dress up in costumes and go door to door asking for candy. If the homeowners don't give them any candy, they may play a trick on them instead. Trick or treating is a fun way to get into the Halloween spirit!

How to carve a pumpkin?

First, cut off the top of the pumpkin to create a lid. then, use the spoon to scrape out the insides of the pumpkin, being careful not to damage the walls. Next, draw or carve your design onto the pumpkin. Finally, use the knife or carving saw to cut along your lines and create your jack-o-lantern!

Disguise

On Halloween, people wear costumes to disguise themselves.

Often, people wear masks to cover their faces. This makes it difficult for others to recognize them.

Sometimes people wear costumes that make them look like someone else entirely. All of this helps to create an atmosphere of mystery and fun on Halloween night.
