# My Little Boat

I have made a nice  
little boat, of paper,  
and am going to let it  
sail in this big bucket  
of water. I will use  
corks to build small  
islands. This is going  
to be my fancy world.  
I have a toy of  
captain and make it  
stand on the ship.

## Nandi, An Elephant

Nandi is an elephant.

Nandi belonged to a

Hindu prince and

walked in long

processions through

the streets of cities.

Then he wore gold

rings in his ears and

silver rings around his

tusks.
